Dear Sponsor,

Tinley Park Youth Baseball and Softball (Bulldogs) provides the children of Tinley Park the opportunity to learn the great game of baseball and softball. Our organization is run entirely by volunteers within the community and has been at the current complex since 1961.

Our complex is considered one of the nicest youth baseball / softball venues around in the suburbs. When the 2008 season concluded this past July, this ended an era of Bulldog tradition that included multiple fields and outdoor batting cages on our complex. The construction of the new Fulton school requires change at our complex. As a result, we will lose 1 multi-purpose baseball diamond and we will have to demolish and rebuild our 2 batting cages. In addition, the construction has required drainage improvements to an existing field that will require extensive work in order to prepare for the 2009 season.

Our immediate plans are to start the 2009 season with 2 new batting cages and have solidified plans to start the construction of a new multi-purpose baseball diamond on the complex as well as have all repair work completed to the field that required drainage improvements.

The costs to execute these plans are not cheap, yet they are vital to the success of our organization. We are looking to the community for assistance. Would your business like to help shape the next generation of Bulldog tradition by making a donation? You can help us make a difference in the community. We realize the economic times are difficult and are asking for any level of generosity from your business, including services provided. Each sponsorship level has unique benefits to you as a business.

- \$100.00 sponsor gets your business info and link on our website w/ team plaque.
- \$250.00 sponsor gets your business name on our main concession stand banner in addition to the benefit above.
- \$500.00 sponsor gets your business logo on our main concession stand banner in addition to the two benefits above.

All contributions are tax deductible plus we have a banquet each year for all of our sponsors of \$250.00 or more. We thank you in advance for considering our organization and if you have any questions please contact our director of fundraising, Diana Rogers at 708-560-6192.
