

Tinley Park Youth Baseball  
P.O. Box 503  
Tinley Park, IL 60477

Dear Community Member,

Tinley Park Youth Baseball and Softball (Bulldogs) provides the children of Tinley Park the opportunity to learn the great game of baseball and softball. Our organization is run entirely by volunteers within the community and has been at the current complex since 1961.

Our complex is considered one of the nicest youth baseball / softball venues around in the suburbs. When the 2009 season concluded this past July, it signaled the start of a new era for Bulldog Baseball and Softball. Construction of the new school has left us with great potential and opportunity for making our complex even better. In working with all parties involved, we've added a new softball field and a new T-ball field to our complex. We've added a new sprinkler system on Guenzi as well. In addition, we've run many professional camps and clinics this off-season to help develop our ballplayers to be the best they can be. We will continue to do this as long as our organization remains financially sound.

We're asking for businesses in the area to take note of our existing membership size and the fact that each year our organization gets bigger. A sponsorship is a great way to advertise your business in Bulldogs Baseball and Softball. Thousands of people are on our complex each year and now with all of our fields centrally located, that number can only increase. Have your business prominently displayed at our complex with a sponsorship!

Our immediate plans are to start the 2010 season with 3 new batting cages, 2 new fields, 1 renovated field and multiple other improvements to the complex.

The costs to execute these plans and to support our goal in building better ballplayers are not cheap, yet they are vital to the success of our organization. **We are looking to our community for assistance.** Would your business like to help shape the next generation of Bulldog tradition by making a donation? You can help us make a difference in the community. We realize the economic times are difficult so we are asking for any level of generosity from your business, including time and/or services provided. Each sponsorship level has unique benefits to you as a business. Circle one that is right for you.
